Portable Light String

CENTURY

Century Portable Light Strings bring light to indoor and outdoor temporary construction areas. All light sockets are placed at ten foot intervals and can be hung from their heavy duty eyelets or from messenger wire. Manufactured with heavy duty 12/3 water resistant cable which stays flexible in cold weather temperatures well below freezing. These cords come complete with heavy duty grounded yellow PVC epoxy coated metal cages.

Pro Glo Tri Tap Extension Cord

CENTURY

Our special Pro Glo SJTW (300V) jackets offer high visibility for safety underfoot and extra flexibility in cold weather. The triple tap connector provides three standard 15A-125V outlets for additional power where it's needed. Each male plug has a built in amber neon light which indicates that there is power in the cords and outlet. In addition, these extension cords provide Continuous Current and Ground Monitoring (CGM), an OSHA safety requirement. A green neon light in the triple tap female connector let you know at-a-glance that there is ground continuity.

2in1 LED Flashlight/Lantern w/Holster

- 1-Watt High Performance LED
- 2 light modes: flashlight and lantern
- 60 lumens
- Adjustable spot to flood focus beam
- Battery run time: 7 hours
- Anodized aluminum body
- Impact and water resistant
- Lifetime warranty
- (3) AAA Rayovac alkaline batteries included

Part #	Weight (ibs.)	Battery
RVCRM3AAA	.738	AAA

6 Watt Area Lantern

- 6-Watt Cree XRE High Performance LED
- 2 modes: high and low
- 300 lumens
- Battery run time: 80 hours (high); 150 hours (low)
- Innovative style with decorative aluminum brim
- Convenient carry handle plus a flip-out metal hang hook
- Water resistant
- Lifetime warranty
- Runs on (4) D Rayovac alkaline batteries (not included)

Part #	Weight (ibs.)	Battery

10 Lumen 2D Yellow Flashlight with Ring Hanger

- Standard bulb
- 10 lumens
- Battery run time: 20 hours
- Protected slide switch
- Extra tough hanging ring
- Impact resistant to 7 feet
- Water, chemical, oil and gas resistant
- Lifetime warranty
- Runs on 2 D batteries

Part #	Weight (ibs.)	Battery
RVCIN2C	0.366	D

17 Lumen 2D Krypton Yellow Flashlight with Ring Hanger

- Krypton bulb
- 17 lumens
- Battery run time: 12 hours
- Tough polypropylene body with barrier wall and bulb support system
- Protected slide switch
- Shock-absorbing spare bulb holder
- Impact resistant to 7 feet
- Water, chemical, oil and gas resistant
- Lifetime warranty
- Runs on 2 D batteries

Part #	Weight (ibs.)	Battery
RVCIN2-KC	0.366	D

40 Lumen 3D Krypton Yellow Flashlight with Ring Hanger

- Krypton bulb
- 40 lumens
- Beam distance of 76 meters
- Battery run time: 12 hours
- Tough polypropylene body with barrier wall and bulb support system
- Protected slide switch
- Spare bulb holder
- Impact resistant to 5 feet
- Water, chemical, oil and gas resistant
- Lifetime warranty
- Runs on 3 D batteries

Part #	Weight (ibs.)	Battery

Krypton Bulb Lantern V6

- Krypton bulb
- Long range beam
- 45° swivel
- Comfort grip handle
- Push button switch
- Spare bulb holder
- Water resistant - lantern floats
- Lifetime warranty
- 6-Volt Rayovac Heavy Duty battery included

Part #	Weight (ibs.)	Battery
RVCI6V-B2	2.5	V6/D

LED Economy Flashlight - AA

- LED
- Beam distance of 29 meters
- Magnifying lens for distance
- Battery run time: 25 hours
- Easy twist on/off switch
- Impact resistant to 3 feet
- Runs on 2 AA Rayovac alkaline batteries

Part #	Weight (ibs.)	Battery
RVCILED2AA	.1	AA

2D 3 LED Flashlight

- 3 LEDs
- Battery run time: 150 hours on Rayovac alkaline batteries, 55 hours on Rayovac Heavy Duty batteries
- Tough polypropylene body
- Impact resistant to 7 feet
- Water, grease and corrosion resistant
- Consumer preferred comfort grip
- Protected slide switch
- Extra tough hanging ring
- Lifetime warranty
- 2 (D) zinc chloride batteries included

Part #	Weight (ibs.)	Battery
RVCI2DLED-B	.85	D

Swivel Flashlight - AA

- Krypton bulb
- Smooth beam with prismatic reflector for close-in use
- 2-way 90° and 360° swivel
- Pocket, visor, and belt clip for hands free use
- Easy battery replacement door
- Lifetime warranty
- (2) AA zinc chloride batteries included

Part #	Weight (ibs.)	Battery
RVCILJ2AA	.2	AA

LED Economy Flashlight - D

- LED
- Beam distance of 35 meters
- Magnifying lens for distance
- Battery run time: 150 hours
- Easy twist on/off switch
- Impact resistant to 3 feet
- Runs on 2 D Rayovac alkaline batteries

Part #	Weight (ibs.)	Battery
RVCILED2D	.2	D

Flashlight with Ring Hanger

- Standard bulb
- Smooth beam with prismatic reflector for close-in use
- Tough polypropylene body with barrier wall and bulb support system
- Robust tool-yellow color/texture
- Protected slide switch
- Consumer preferred comfort grip
- Extra tough hanging ring
- Impact resistant to 7 feet
- Water, chemical, oil and gas resistant
- Lifetime warranty
- Runs on 2 D batteries

Part #	Weight (ibs.)	Battery
RVCIN2	.36	D

Krypton Yellow Flashlight with Ring Hanger

- Krypton bulb
- Smooth beam with prismatic reflector for close-in use
- Tough polypropylene body with barrier wall and bulb support system
- Robust tool-yellow color/texture
- Protected slide switch
- Consumer preferred comfort grip
- Shock-absorbing spare bulb holder
- Extra tough hanging ring
- Impact resistant to 7 feet
- Water, chemical, oil and gas resistant
- Lifetime warranty
- Runs on 2 D batteries

Part #	Weight (ibs.)	Battery
RVCIN2-K	.36	D

17 Lumen 2D Yellow Flashlight with Ring Hanger and Batteries

- Krypton bulb
- 17 lumens
- Beam distance of 58 meters
- Battery run time: 12 hours
- Tough polypropylene body with barrier wall and bulb support system
- Protected slide switch
- Shock-absorbing spare bulb holder
- Extra tough hanging ring
- Impact resistant to 7 feet
- Water, chemical, oil and gas resistant
- Lifetime warranty
- Runs on 2 D batteries

Part #	Weight (ibs.)	Battery
RVCIMIN2C*		

23 Lumen 2D Yellow Utility Flashlight

- Standard PR2 bulb
- 23 lumens
- Beam distance of 123 meters
- Battery run time: 20 hours
- Fresnel lens delivers a bright, focused beam
- Grooved barrier for added grip
- Handy hanging lanyard
- Runs on (2) D batteries
- Comes packed in tuck carton

Part #	Weight (ibs.)	Battery
RVCIV2DC	0.319	D

5 Lumen 2AA LED Economy Flashlight

- LED lasts 100,000 hours, never needs replacing
- 5 lumens
- Beam distance of 29 meters
- Magnifying lens for distance
- Battery run time: 25 hours
- Easy twist on/off switch
- Impact resistant to 3 feet
- Runs on 2 AA Rayovac alkaline batteries

Part #	Weight (ibs.)	Battery
RVCILED2AA	0.111	AA

6 Lumen 2D LED Economy Flashlight

- LED lasts 100,000 hours, never needs replacing
- 6 lumens
- Beam distance of 35 meters
- Magnifying lens for distance
- Battery run time: 150 hours
- Easy twist on/off switch
- Impact resistant to 3 feet
- Runs on 2 D Rayovac alkaline batteries

Part #	Weight (ibs.)	Battery
RVCILED2D	0.223	D

8 Lumen 2AA Krypton Swivel Flashlight with Pocket Clip and Batteries

- Krypton bulb
- Smooth beam with prismatic reflector for close-in use
- 8 lumens
- Beam distance of 32 meters
- Battery run time: 7 hours
- 2-way 90° and 360° swivel
- Pocket, visor, and belt clip for hands free use
- Easy battery replacement door
- Lifetime warranty
- (2) AA zinc chloride batteries included

Part #	Weight (ibs.)	Battery
