

3M™ Stainless Steel Cleaner and Polish

Sprayable liquid cleans and polishes stainless steel, chrome, aluminum and laminated plastic surfaces to a high gloss in one step. Available in 1 quart and 1 gallon sizes.

Catalog ID Size
3MA10146 21oz

3M™ Citrus Base Cleaner

A liquid cleaner/degreaser that can be used to dissolve and remove dirt, grease, tar, and many non-curing type adhesives. It can also be used to degrease substrates for adhesive bonding in place of many chlorinated or petroleum-based solvents.

Catalog ID Size
3MACIT 4oz/ 6oz/ 24oz/ 1gal

3M™ 5-Way Penetrant

3M™ 5-Way Penetrant is a multi-purpose product that is effective for displacing moisture and dries out electrical apparatus.

Catalog ID Size
3MA5WAY 6oz/24oz

3M™ Silicone Spray Lubricant

Formulated with a silicone polymer. Will not freeze at minus 28(deg)F (-33(deg)C) or at 350(deg)F (177(deg)C). Lubricate moving parts, eliminate squeaks caused by friction, prevent sticking and freezing, protect against rust.

Rust Tough® Aerosols

- Complete coverage with one coat
- Dries to touch in 25 minutes; dries to handle in 1 hour
- Superior appearance and color retention
- Ideal for small touch-up jobs, painting irregular shapes or covering hard-to-reach areas
- For both indoor and outdoor use
- Tough, high gloss finish resists chipping and peeling
- Acrylic enamels and primers are equipped withEZ TOUCH® FANSPRAY® Nozzle

Uses: Steel, aluminum, properly primed metal and wood, structural steel, storage tanks, bar joists, handrails, piping, pipe racks, conveyors, ladders, fencing, machinery, metal doors and marine applications above boot topping

Krylon® Industrial Overhead Marking Paint

NEW

In response to the deteriorating bridge situation in the US, Krylon Industrial formulated a water-based overhead marking paint. This easy to use product, sprays in an upright position, penetrates and adheres to uneven surfaces. Available in three colors, it's the easiest way to mark overhead surfaces in mines, excavation sites, underground utilities and bridges.

- High visibility fluorescent colors
- Fast drying
- Low odor for when in tight spaces

Uses: Marking mines, underground utilities, construction, excavation sites and bridges.

OMP = Overhead Marking Paint

Krylon® Industrial Eco-Guard® Latex Spray Paint

Krylon® Industrial ECO-GUARD® is the only latex paint in the industrial market. This latex (not water-reducible!) paint provides a high gloss, excellent color retention and appearance. Extremely low odor, Contents Under Pressure formula and MIR compliant make it the safest paint to use indoors, in any environment. Soap and water cleanup while wet reduces costly downtime, costly materials and keeps production moving.

- Extremely low odor
- Contents Under Pressure formula for easy storage
- Dries fast - 20 minutes to the touch
- Soap and water cleanup while wet
- Topcoat at anytime with no lifting

Uses: Metal, wood, masonry, plaster, most plastics, plastic foam and wicker

Welding Chemicals & Coatings

Low VOC ZR Galvanizing Compounds are high performance primers containing 97% pure zinc dust pigment blended with epoxy resin. They stop rust by electrochemical action on steel or galvanized coatings. These inorganic, self-sacrificing primers protect the base metal, preserving strength and preventing rust creepage when the area is penetrated or scratched. The compound fuses zinc to the metal substrate and delivers protection against corrosion equal to or better than hot dipped galvanize.

Uses: Structural steel, automobiles, guard rails, bridges, television towers, damaged galvanized surfaces, heat duct work, welded joints, heavy equipment, offshore equipment, power-plant equipment or anywhere a maximum performance rust and corrosion inhibitive coating is required.

Bio-Circle L Industrial parts cleaner/degreaser

The Bio-Circle® L solution is formulated with cleaning agents that ensure the necessary cleaning power to remove oil and grease from even the most soiled parts. safe for use on all metals.

- Cleaner continuously renews itself
- New & improved cleaning performance!
- No waste disposal problem
- Non-flammable, non-toxic, free of VOC's
- Safe to use, hassle-free

Zinc-100 Bright galvanizing spray

A bright, long lasting corrosion protection spray, specially formulated for the touch-up and repair of hot galvanized parts in compliance with ASTM standards.

- Bright metallic finish matches hot dipped look
- Fast drying, CFIA approved
- Long-lasting corrosion protection
- Zinc-rich formula meets ASTM A780 standard

Description	Metric	Imperial	Order No	MSDS	List Price
Aerosol	326g	11.5oz.	53-H 102	MSDS	\$17.25

E-WELD 3 Weld spatter release solution

E-WELD 3 is a unique, high performing anti-spatter solution that protects work pieces from adherence of high energy spatter and eliminates costly spatter removal operations.

- Water base formulation - biodegradable, non-flammable, odourless
- Multifunctional product - can also be used as a cleaner / degreaser
- Works equally wet or after the product is dry

- Excellent paint adhesion properties - no special cleaning required for post welding coating operations
- Compatible with aluminium, steel and stainless steel
- VOC free, Solvent free and silicone free
- Contains corrosion inhibitors for short term corrosion protection

Description	Metric	Imperial	Order No	MSDS	List Price
Trigger sprayer	500ml	16.9fl.oz.	53-F 253	MSDS	\$13.35
Liquid	5L	1.3gal	53-F 256	MSDS	\$104.00
Liquid	20L	5.2gal	53-F 257	MSDS	\$352.00
Liquid	208L	55gal	53-F 258	MSDS	\$1,964.00

E-Weld Weld spatter release emulsion

Effectively protects workpieces and welding equipment, eliminates costly spatter removal work.

- Contains temporary corrosion inhibitors
- Green color for a better view on workpiece
- Prevents weld spatter from sticking
- Ultrafine spray for complete coverage
- Will not harm painted surfaces

Eco-Grade™ Industrial Cleaners

NEW

Our new line of environmentally preferred products are Green Cert and Greenhouse Gas Free certified. They are better for the environment and better for your health. Products denoted with the Green Cert logo are safe, versatile, and environmentally responsible without sacrificing performance.

Cleaners & Degreasers

Part #	Description	Size	Case
A1204A1219	Foaming Heavy-Duty Cleaner Aerosol		
A1204T1232	RTU Heavy-Duty Cleaner		
A012040401	Heavy-Duty Cleaner Concentrate		
A00406000	Soy Degreaser		

Glass & Hard Surface Cleaners

Part #	Description	Size	Case
A1205A1219	Foaming Glass Cleaner Aerosol		
A1205T1219	RTU Glass Cleaner		
A012050401	Glass Cleaner Concentrate		

Restroom Cleaners

Part #	Description	Size	Case
A1206A1219	Foaming Restroom Cleaner Aerosol		
A1206T1219	RTU Restroom Cleaner		
A012060401	Restroom Cleaner Concentrate		

Lubricants/Penetrants

Part #	Description	Size	Case
A00402000	General Purpose Lube & Penetrant		
A00401000	High Performance Lube W/P.T.F.E.		

Specialty Cleaners

Part #	Description	Size	Case
A00405000	Paint & Adhesive Remover		
A00404000	Vandal Mark & Graffiti Remover		

Environmentally Responsible Options:

Maintenance, Repair & Operations Aerosol Products

Part #	Description	Size	Case
A000100LQ	White Lithium Lube		
A000103LQ	Rust Breaker Penetrant		
A000201LQ	HD Open Gear & Wire		
A000202LQ	Moly Chain & Pin Bushing Lube		
A000206LQ	All Purpose Silicone Lube		
A000208LQ	Cutting Oil		
A000210LQ	Food Grade Silicone Lube		
A000607LQ	Belt Dressing		
A000700LQ	Food Grade Machinery Oil		
A000711LQ	The Protector		
A000777LQ	Long Term Outdoor Protectant & Lube		
A002302LQ	Environmental Contact Cleaner		
A020749LQ	Environmental Cleaner & Degreaser		
A020757LQ	Citrus Cleaner & Degreaser		
A020847LQ	Ultra-Force II Safety Solvent & Degreaser

A020880LQ	General Purpose Cleaner		
A020885LQ	Stainless Steel Cleaner		

Tri-Flow Industrial Lubricants

Tri-Flow® is a unique concentrate formula containing micron-sized particles made from P.T.F.E. Tri-Flow® deposits a long-lasting film to greatly reduce friction and wear. Tri-Flow® cleans and provides a "protective shield" that inhibits formation of rust and other corrosive buildup that damages working mechanisms. Tests prove Tri-Flow® outperforms other leading lubricants.

Uses: Bearings, cables, nuts and bolts, air power tools, ball and socket joints, control cables, conveyors, cutting tools, drive chains, electric power tools, gears, glides, hinges, linkages, precision tools, rollers, taps, dies and valves.

Part #	Description	Size	Case
TF20025	P.T.F.E. Aerosol	8 oz.	12
TF20027	P.T.F.E. Aerosol	16 oz.	12
CFTF20015	P.T.F.E. Foaming Lubricant	16 oz.	6
CTF29200	P.T.F.E. Trigger Spray Bottle	16 oz.	6

11 OZ. Aerosol

- Quickly & efficiently cleans, protects and lubricates large areas
- Prevents Rust & Corrosion

Part #	Description	Qty.
WD01011	11 OZ. AEROSOL	1
WD01111	11 OZ. AEROSOL	12 Case
WD01211	11 OZ. AEROSOL	24 Case

411G Aerosol - Value Size

- Quickly & efficiently cleans, protects and lubricates large areas
- Prevents Rust & Corrosion

Part #	Description	Qty.
WD01003	411G AEROSOL	1
WD01103	411G AEROSOL	12 Case

Sprayer

Part #	Description	Qty.
WD01000	Sprayer	1
WD01100	Sprayer	4 Case

3.875 Litres

- Quickly & efficiently cleans, protects and lubricates large areas
- Prevents Rust & Corrosion

Part #	Description	Qty.
WD01010	3.875 Litres	1
WD01110	3.875 Litres	4 Case

Penetrant Spray

HEAVY-DUTY PENETRANT:
Many usages for strong superior results, will loosen rusted or stuck:
Pipes & Fittings
Locks & Chains
Nuts & Lug-Nuts
Bolts and anything else needing loosening

Part #	Description	Qty.
WD01040	11 OZ. AEROSOL	1
WD01140	11 OZ. AEROSOL	12 Case

Silicone Spray

SILICONE LUBRICANT SPRAY:
Synthetic based product; no oily residue
Safe on metal, rubber, wood & vinyl
Resist high-temperatures
FOOD-SAFE (approved NSF – H2)
LONG-LASTING

Part #	Description	Qty.
WD01041	11 OZ. AEROSOL	1
WD01141	11 OZ. AEROSOL	12 Case

White Lithium Spray

WHITE-LITHIUM GREASE:
(Non-Dripping-formula), will lubricate & protect
Auto: hinges, locks, latches, seat tracks, battery terminals, antennas and more
Home: sliding doors, garage door tracks, windows, hinges, lawn and garden equipment
Marine: trailer rollers, winches, turnbuckles, slides and all external moving parts
Shop: machinery, fans, blowers, chains, conveyors 123

Part #	Description	Qty.
WD01042	11 OZ. AEROSOL	1
WD01142	11 OZ. AEROSOL	12 Case

Garage Door Lube

GARAGE DOOR LUBE:
Lubricate Pulleys, Bearings, Springs, Chains, Door Tracks
Quick Drying, High Performance, Permanent Straw
No oily Mess, Works fast, Sprays 2 ways

Part #	Description	Qty.
WD01043	11 OZ. AEROSOL	1
WD01143	11 OZ. AEROSOL	12 Case
